A STUDENT SENATE RESOLUTION REQUESTING THAT STUDENTS MOVING INTO RESIDENCE HALLS BE GIVEN CLEAN ROOMS AND/OR APARTMENTS

WHEREAS Northeastern University academics are based on a quarterly system, requiring student housing year round, and

WHEREAS Situations arise where one student is waiting for another to leave, before moving into housing, and

WHEREAS This tight time frame often means that rooms are not prepared for students moving into residence halls, and they must move into unclean rooms, which they then must clean themselves, and

WHEREAS The University then profits from this situation by billing the rooms and/or apartments former occupants for cleaning services which they never performed. Thus Be It

RESOLVED That Northeastern University not bill any student for cleaning services, the University did not perform, and, Be It Further

RESOLVED That Northeastern not bill any student for cleaning services the university did not perform, and be it further

RESOLVED That the University schedule move-out/move-ins with the proper amount of time so that rooms and apartments may and will be cleaned, and be it further

RESOLVED That if the University can not schedule the proper amount of time before move-ins, that a cleaning crew be present in each resident hall to clean rooms and/or apartments that incoming students or Residential Life Staff find unacceptable, during all move-in days.

Respectfully submitted with the unanimous recommendation of the Student Services Committee,

Jeremy Koslow
