A STUDENT SENATE RESOLUTION ASKING THAT THE PROPOSED FACULTY INCREASE COME FROM ALTERNATIVES TO A FURTHER TUITION INCREASE.

Whereas Northeastern University is being adversely financial affected by lower enrollments, and

Whereas President Curry has dedicated himself to the improvement of the University, and

Whereas NU Administration has proposed a 7% tuition increase to offset these costs, and

Whereas the current proposed budget is extremely tight, and

Whereas the Faculty Senate has passed (22-3-7) a resolution as follows: "Be it Resolved, that the Faculty Senate supports the recommendation of the Financial Affairs Committee that the University allocate moneys to fund a 2 1/2% faculty merit raise to take effect on January 1, 1994." (March 8, 1993)

Whereas if the proposed increase comes out of tuition, the University proposed increase of 7% would be elevated to 8%, and Be it

Resolved that if President Curry accepts the salary increase of 2 1/2% passed by the Faculty Senate, the increase be funded outside of a tuition increase, and that the $1.65 million dollar increase be funded through redistribution or cuts of currently budgeted funds.

Respectfully submitted with the recommendation of the Executive Board,

Katy Zeidler
Chair, Student Budget Committee
Vice President for Academic Affairs, SGA
