Fellow Student Leaders and Friends,

I hope that this e-mail finds you in excellent health and good spirits. I would like to take this opportunity to introduce the Executive Team of the Latin American Student Organization (LASO), and the festivities that we have planned for the academic year.

Members of my Executive Team include:

Cali Nguyen, Secretary
Vinny J. Tejada, Treasurer
Jessica Valentin, Vice President of External Affairs
Luisa Peña, President

We would also like to extend ourselves in hopes of building and strengthening student group camaraderie. Through this outreach, I hope that we can share ideas, support one another and most importantly come together in unity. I encourage you to collaborate with other student organizations especially when your missions and goals are similar. Attached is contact information for various student organizations for your use in continuing to foster collaboration on events and initiatives. Through collaboration, I hope that we all learn from each other, discover our differences and realize how much we are alike.

Please take a look at the links above and find out if anything sparks your interest. We are also interested in hearing about your organization's ideas, initiatives and events for the academic year. Don't hesitate to contact any member of my E-Team or myself if you have any questions. In addition, we invite you to attend our kickoff meeting on September 14, 2006 in the McCloud Suites (318-322 CSC) at 6:00 PM. We look forward to see you there and hearing from you soon!

Sincerely,
