Staples: More Than Just a Retail Company

Wednesday, November 1st

11:45 A.M. (Activities Period) West Village H, Room 108

Change Management is defined as a "process that will ensure standardized methods and procedures are used for efficient and prompt handling of all changes in order to minimize the impact of change related problems on the quality of IS services." In this talk, Eric Seegel, Director of IS Services at Staples and Beth Olsen, Manager of IS at Staples will discuss IS Service Delivery, Production Readiness and Change Management at Staples.

All students, faculty, and staff are encouraged to attend. A pizza lunch will be served.
