Chair's Corner

The search for new faculty continues this January and soon the candidates will be flying in to meet us. While the potential candidates are doing their best to make a good impression during the interview process, we should keep in mind that they are interviewing us as a fitting institution as well. In this recent [article](#) from Inside Higher Ed, the author describes some mistakes that search committees make which can turn off even the most interested candidates.

Chair of Chemistry and Chemical Biology, ADVANCE co-PI

University Research Development and Outreach

Join us as we host the Vice Provost for Research, Mel Bernstein, for a discussion on efforts to develop funding opportunities at Northeastern. You will have the opportunity to learn about how Northeastern positions itself to develop centers of excellence as well as how research policy is developed at the national level. Vice Provost Bernstein has a wealth of experience with academic organizations, government organizations, and research policy development. [RSVP here.](#)

Lunchtime Networking Hour

When: January 26, 2010
Where: Churchill Hall Cafeteria
Time: 12:00 - 1:00 PM

Once a month, ADVANCE organizes informal networking luncheons. All faculty are invited to join us in the faculty room of the Churchill Cafeteria. Bring your lunch and let's discuss what everyone is up to!

About Advance: www.northeastern.edu/advance

Northeastern University is a National Science Foundation funded ADVANCE Institutional Transformation site. This site's theme is to advance women in interdisciplinary and international networks. This 5-year institutional program is closely aligned with Northeastern's move toward interdisciplinary scholarship and increased global engagement. The Northeastern ADVANCE Program reports to the Office of the Provost. ADVANCE is funded by NSF Award HRD-08111701.
